Panthers Pepping *for* ennridge

What an afternoon and evening in the Quakertown Community School District with Tuesday's high school pep rally followed by the bonfire. The students, teachers and administration planned things out so well, and it was a wonderful experience as the school community exhibited its love for its football team.

The Panthers play host to Pennridge in the 89th Thanksgiving Day meeting of the two Upper Bucks County rivals. Kickoff is 10:15 a.m. at Alumni Field.

Social Studies teacher Michael Sandler was the emcee for the pep rally, and the cheerleaders, Panther Marching Band, choir and dance team rocked the gymnasium for 90 minutes.

Head Coach George Banas thanked the students for support that is "second to none" throughout this 9-3 season, and said that prior to this season the Panthers have won 10 games only one time. A former Panther player, he said "Nothing holds a candle to winning on Thanksgiving."

Principal David Finnerty said of Thursday's contest: "I want that place bursting. The turkey can wait."
