## Night of memories for seniors, students

The student council at Quakertown Community High School has been involved in many important events this year, but perhaps none as inspiring as the May 4 Senior Citizen's Dance.

Close to 50 senior citizens in the school community were treated to food, a live band and dancing, compliments of student council, which is advised by social studies teacher Michael Sandler.

The seniors had a great time, even the shy ones who were often invited to the dance floor by welcoming students.

The Fabulous Philadelphia Mojo Kings Dance Band provided the music, and when they were on break, Grace Kave, a high school senior, entertained with her songs and guitar.

It was a night the appreciative members of the community won't soon forget. Enjoy the photos!
