## **\*In Attendance**

The following items were discussed at the Safety Committee Meeting held on  
January 19, 2022:

- Reviewed and discussed employee accident reports
- Reviewed minutes from December 15, 2021 meeting:
  - Rob provided Jason & Matt tech department “map” of locations new cameras are to be installed in the coming months.
  - Overhead photo of rear lot provided to Jason Magditch following the meeting for him to identify and label staff only parking areas.
  - Results of bleacher inspection are on the January 13th Facilities Committee meeting agenda.
  - By design, the science lab has hot water only at the instructor’s lab station. Emergency shower is checked yearly, was checked again following the meeting.
  - Fire door identified and work order entered for its repair during non-instructional day.
  - HS to enter tech work order for main vestibule television issues.
  - HS to approach tech department / cabinet re: vape detection devices and new projector for commons.
- Trumbauersville concerns:
  - A few sidewalks are heaving. For now, will paint to increase awareness. In summer they’ll be replaced.
  - A couple exterior lights are out, work order entered to repair/replace.
- A building inspection of Trumbauersville was conducted:
  - Railing near loading dock will have spindle repaired.
  - Additional fencing to be installed one field behind playground.

Next meeting will be February 2022, location Pfaff Elementary.  
Jill sent notification of date and time.
